

## Corrigendum No. - 1

**NIT No. – IITP/IWD/RS/NIT/07/2020**

**The detail of query and IITP response/clarifications:-**

<b>Sr. No.</b>	<b>Query Raised by Interested agency</b>	<b>IIT Patna Response</b>
<b>1</b>	The tender mentioned the participation of startups and about the EMD relaxation but there is no relaxation for startups from prior turnover and experience neither Joint Venture (JV) is allowed for startups – the other way startups could be part of this tender. “Sir, our request is that please allow JV for startups as most of the startups do not have that much prior turnover otherwise, we, startup, are of the race.”	JV is not allowed
<b>2</b>	It is not clear about the size and shape of processing unit and please mention the number of vehicles that shall be provided by you (if any).	Drawing of processing space is attached at Annexure – K of the NIT. Further tools, plants, equipment, machinery like shredders, turner, aerators, sieving machine etc. and transportation vehicle are in the scope of the agency as per para A/6 and B/6 of scope of work of NIT.
<b>3</b>	As per MSME act organization registered as MSME, are exempted or EMD in any tender requesting to add this in EMD exemption clause.	EMD exemption shall be extended to MSME registered organization as per rule.

**This corrigendum is being made part of NIT.**
