### **INSTRUCTIONS FOR ONLINE BIDDERS**

Instructions to the Bidders to submit the bids online through the Central Public Procurement Portal for e-Procurement are at <https://eprocure.gov.in/eprocure/app>: The bidders must carefully follow the instructions:

- 1** Possession of valid Digital Signature Certificate (DSC) and enrolment/ registration of the contractors/bidders on the e-procurement/e-tender portal is a pre-requisite for e-tendering.
- 2** Bidder should do the enrolment in the e-Procurement site using the “Click here to Enroll” option available on the home page. Portal enrolment is generally free of charge. During enrolment/registration, the bidders should provide the correct/true information including valid e-mail-id. All the correspondence shall be made directly with the contractors/bidders through e-mail-id provided.
- 3** Bidder need to login to the site through their user ID/ password chosen during enrolment/ registration.
- 4** Then the Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by NIC/SIFY/TCS/nCode/eMudra or any Certifying Authority recognized by CCA India on e-Token / Smart Card, should be registered.
- 5** The DSC that is registered with the portal only should be used by the bidder and should ensure safety of the same.
- 6** Contractor / Bidder may go through the tenders published on the site and download the required tender documents/Annexures for the tenders he/she is interested.
- 7** After downloading/getting the tender document/Annexures/Appendices, the Bidder should go through them carefully and then submit the documents as asked, otherwise bid will be rejected.
- 8** If there are any clarifications, this may be obtained online through the tender site, or through the contact details. Bidder should take into account the corrigendum/Addendum published, if any, before submitting the bids online.
- 9** Bidder then logs into the site through the secured login by giving the user-id/ password chosen during enrolment/registration and then by giving the password of the e-Token/Smart Card to access DSC.
- 10** Bidder selects the tender which he/she is interested in by using the search option & then moves it to the “my tenders” folder.

- 11** From my tender folder, he/she selects the tender to view all the details indicated.
- 12** It is construed that the bidder has read and agreed all the terms and conditions before submitting their offer. Bidder should go through the tender Annexure and appendices carefully and upload the documents as called for; otherwise, the bid will be rejected.
- 13** Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document/Annexure and generally, they can be in PDF/xls/rar/zip/dwf formats. If there is more than one document, they can be clubbed together and can be provided in the requested format. Each document to be uploaded, through online for the tenders, should be less than 2MB. If any document is more than 2MB, it can be reduced through zip/ rar and the same can be uploaded, if permitted. Bidder's Bid documents may be scanned with 100 dpi with black and white option. However, if the file size is less than 1 MB the transaction uploading time will be very fast.
- 14** Bidder should take into account the corrigendum / Addendum published from time to time before submitting the online bids.
- 15** The Bidders can update, well in advance, the documents such as certificates, annual report details etc., under My Space option and these can be selected as per tender requirements and then send along with bid documents during bid submission. This will facilitate the bid submission process faster by reducing upload time of bids.
- 16** While submitting the bids online, the bidder reads the terms & conditions and accepts the same to proceed further to submit the bid packets.
- 17** The bidder has to digitally sign and upload the required bid documents one by one as indicated. Bidders to note that the very act of using DSC for downloading the bids and uploading their offers shall be deemed to be a confirmation that they have read all sections and pages of the bid document including General Terms & Conditions of contract without any exception and have understood the entire document and are clear about the requirements of the tender requirements.
- 18** The bidder has to upload the relevant files required as indicated in the covered content. In case of any irrelevant files, the bid will be rejected.
- 19** If the price bid format is provided in a spreadsheet file like **BoQ\_xxxx.xls**, the rates offered should be entered in the allotted space only and uploaded after filling the relevant columns. The Price Bid/ BOQ template must not be modified /replaced by the bidder; else the bid submitted is liable to be rejected for this tender.

- 20** The bidders are requested to submit the bids through online e-tendering system to the Tender Inviting Authority (TIA) well before the bid submission end date & time (as per Server System Clock). The TIA will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders at the eleventh hour.
- 21** After the bid submission (i.e. after Clicking “Freeze Bid Submission” in the portal), the acknowledgement number, given by the system should be printed by the bidder and kept as a record of evidence for online submission of bid for the particular tender and will also act as an entry pass to participate in the bid opening date.
- 22** The time settings fixed in the server side & displayed at the top of the tender site, will be valid for all actions of requesting, bid submission, bid opening etc., in the E tender system. The bidders should follow this time during bid submission.
- 23** All the data entered by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission & not be viewable by anyone until the time of bid opening.
- 24** Any bid document that is uploaded on then server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener’s public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 25** The confidentiality of the bids is maintained since the secured Socket Layer 128-bit encryption technology is used. Data storage encryption of sensitive fields is done.
- 26** The bidder should log out of the tendering system using the normal log out option available at the top right hand corner and not by selecting the(X) exit option in the browser.
- 27** Filling all the fields in both technical and financial bids is mandatory. Incomplete bid will summarily be rejected at the discretion of the Institute.
- 28** All the communications from this office to the bidders regarding every stage of tender processing activity will be sent through email registered in CPP by the bidder. Therefore, the bidders are requested to regularly check their email.
- 29** For any queries regarding e-tendering process, the bidders are requested to contact as provided in the tender document. Simultaneously for any further queries, the bidders are asked to contact over phone: 1800-3070-2232 or send an email to–[cppp-nic@nic.in](mailto:cppp-nic@nic.in).
