

PLACEMENT & INTERNSHIP REPORT

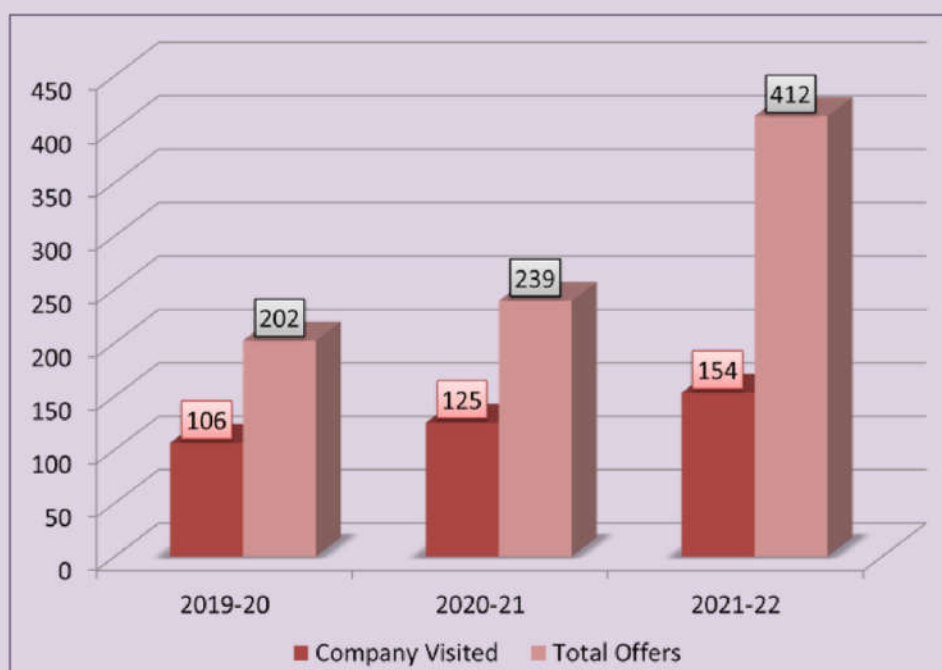

ACADEMIC YEAR
2021-22

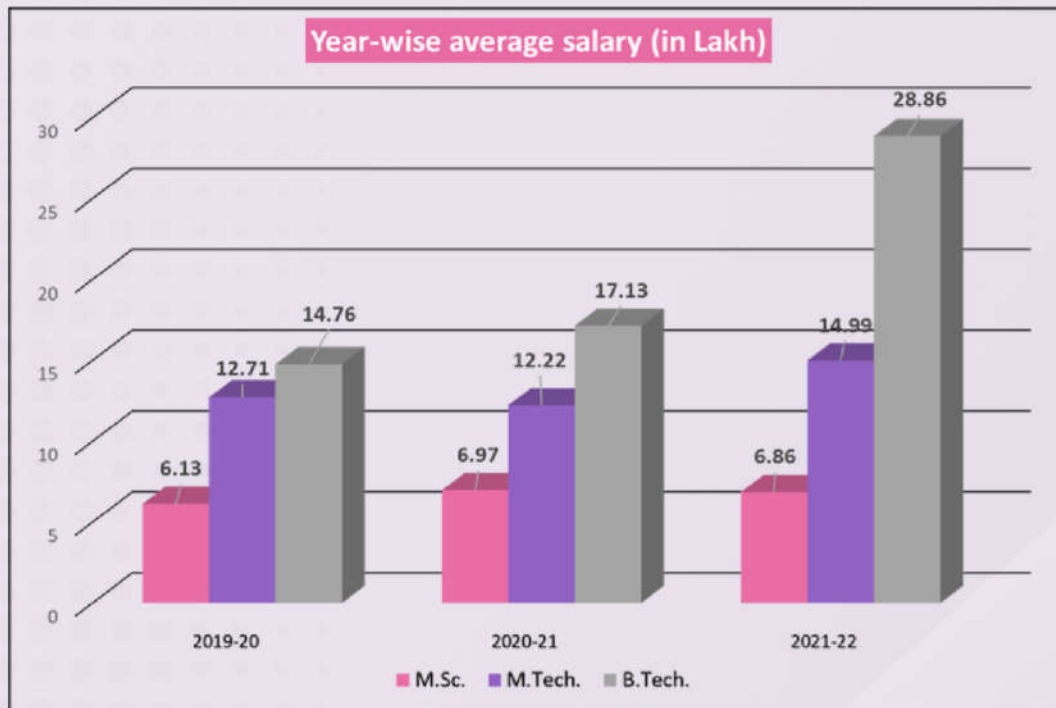

Training and Placement Office
Indian Institute Of Technology Patna

IIT PATNA'S BATCH OF 2022 ACHIEVES A STERLING PLACEMENT

The 11th placement season of IIT Patna witnessed the best ever placement season, recording a huge spike in the placement offers. The campus recruitment this year stands out with the highest number of job offers, highest domestic pay package, highest average package, and highest number of pre-placement-offers in the history of IIT Patna.

Around 154 companies belonging to IT/Software, Finance and Banking, Analytics and consulting, core engineering, E-commerce, health care, manufacturing, automobile etc. have extended 412 job offers to the batch of 2022. This year's 412 job offer extended is making a sharp increase of 72% in comparison to the last year's 239 job offers. The list also includes 10 international offers extended by Accenture Japan, Amazon Berlin, Google Munich, Amazon Luxembourg, Square Point Capital London, and Google London.

The average salary package has increased steadily over the last several years.

The B.Tech average salary with a phenomenal jump of 68.47 %, reached to 28.59 lakh in 2022 from 17.13 lakhs in 2021. Similarly, the average M.Tech salary also reached 14.99 lakhs in 2022 from 12.22 lakhs in 2021.

The highest domestic pay package offered is rupees 61.30 lakhs and followed by rupees 57.40 lakh to the students of the batch of 2022.

The institute has seen a significant jump in pre-placement offers extended to the students over the years. In 2021-22, the students of IIT Patna have received 50 PPOs (pre placement offers), while it was 25 in 2020-21, which is 100% higher in comparison to the previous session.

	Batch-2021	Batch-2022	%age growth
Average Salary (B.Tech)	17.13 Lakh	28.59 Lakh	68.47%
Average Salary (M.Tech)	12.22 Lakh	14.99 Lakh	22.66%
Total Job offers	239	412	72.38%
Total placed students	193	286	48.18%
No of companies participated	125	154	23.20%
No of PPOs	25	50	100%
%age placements B.Tech	93.33%	96.19%	3.06%
%age placement M.Tech	82.35%	86.81%	4.41%

B.Tech 2022 Batch Placement Data										
Sl.No	Branch Name	Batch Strength	No. of Eligible & Interested Registered Students	Total No. of student placed	Total offers	Placement Percentage	Offer Percentage	Average Salary (LPA)	Median CTC (LPA)	Highest CTC (LPA)
1	Computer Science and Engineering (CS)	69	66	66	107	100.00	162.12	38.79	40.00	137.00
2	Electrical Engineering (EE)	63	55	55	79	100.00	143.64	33.04	25.56	120.00
3	Mechanical Engineering (ME)	59	50	50	70	100.00	140.00	18.22	14.33	54.57
4	Civil Engineering (CE)	29	22	17	28	77.27	127.27	17.02	14.00	44.10
5	Chemical Engineering (CB)	24	17	14	16	82.35	94.12	12.91	11.00	31.37
	Total	244	210	202	300	96.19	142.86	28.86	20.00	137.0

In terms of placement percentage BTech Computer Science and Engineering, Mechanical Engineering, Electrical and Electronics Engineering recorded 100% placements each and Chemical engineering 82.35% and civil engineering 77.27%. The overall placement percentage of BTech has been 96.19%.

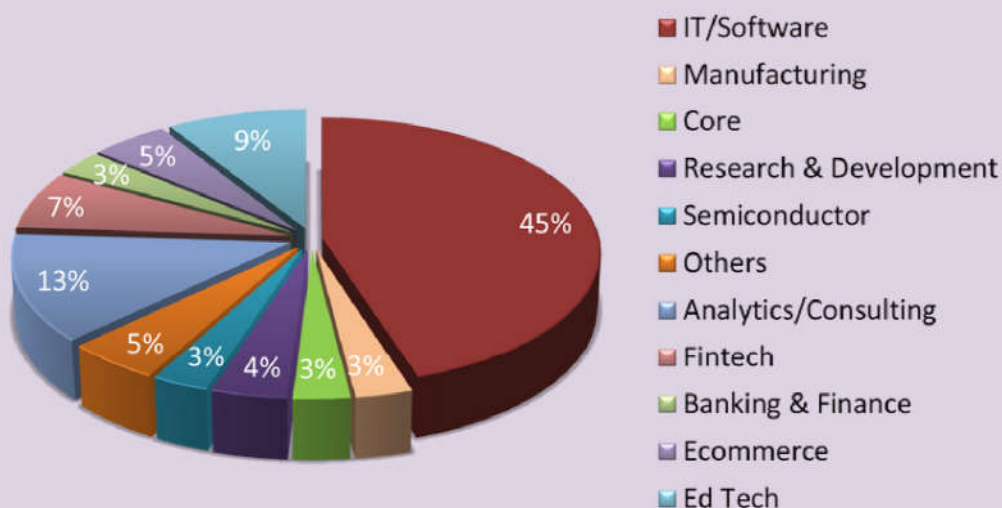

M.Tech 2022 Batch Placement Data

Sl.No	Branch Name	Batch Strength	No. of Eligible & Interested Registered Students	Total No. of students placed	Total offers	Placement Percentage	Offer Percentage	Average Salary (LPA)
1	Computer Science & Engineering(CS)	16	13	13	16	100.00	123.08	21.94
2	Mathematics & Computing(MC)	15	13	13	20	100.00	153.85	15
3	Mechatronics(MT)	18	15	14	19	93.33	126.67	11.79
4	Communication System Engineering(EE)	15	10	8	13	80.00	130.00	20.15
5	VLSI & Embedded System	9	7	7	10	100.00	142.86	23.17
6	Civil & Infrastructure Engineering(CE)	15	8	5	5	62.50	62.50	7.5
7	Materials Science and Engineering(MS)	16	11	5	5	45.45	45.45	8.75
8	Mechanical Engineering(ME)	16	14	14	17	100.00	121.43	8.71
	Total	120	91	79	105	86.81	116.48	14.99

Similarly, in MTech Computer Science and Engineering, Mathematics and Computing, VLSI / Embedded systems and Mechanical Engineering recorded 100% placements and other streams have also performed well in terms of placement percentage. All together MTech batch of 2022, recorded 86.81 % placement this year.

The batch of 2022 achieved another remarkable feat by grabbing 6 international offers by the BTech students through the off-campus recruitment process with a pay package of more than one crore. Google London has extended one of the students of IIT Patna a pay package of 1.37 Cr, Google Munich has extended to another student a luxury remuneration of 1.31 Cr, Amazon Berlin has offered the pay package of 1.20 Cr to 3 students and Amazon Luxemburg has extended fatty pay package of Rs. 1 Cr to 1 student of IIT Patna.

Sector Wise Graph

The recruiting firms from the IT/software domain dominated the list with its 45% parts followed by analytics / consulting 13%, EdTech 9%, FinTech 7%, research and development 4%, E-Commerce 5%, semiconductor 3%, core engineering 3%, manufacturing 3% and others includes 5%.

A formidable number of start-ups (around 46) from growing to established stage have been attracted by the institute for the campus placements.

This season more than 40 new companies have participated in the campus recruitment for the first time with Qualcomm, Plutus Research, HDFC, ICICI Bank, RBL Bank, Yugabyte, Servicenow, indeed, Dhani, Husing.com, Flipkart, Zomato, Paytm, Tata Electronics, Sears, Tata Digital being the few of them.

The job profiles offered range from software engineer, hardware engineer, application engineer, product engineer, data scientist, digital consultant, manager infrastructure, analyst, machine learning engineer, digital engineer, decision analyst, consulting management trainee, GET, PGET etc.

The list of top recruiters of the season includes Google, Oracle, MTX, sprinklr, dhani, Atlassian, optum, Bosch, media.net, gameskraft, smart coin, TVS, Aarti Industries, HDFC, RBL etc along with some of the top PSUs like BPCL, BEL and CDAC also recruited the student from the batch of 2022.

Internship Trends and Records @ IIT Patna for Session 2021-22

The 11th placement season of IIT Patna witnessed the best ever placement season and recorded a huge spike in the internship offers and average stipend. The campus recruitment this year stands out due to it recording the highest number of internship offers and highest average package

This year's Internship campaign was very successful and broke the records. Around 33 companies belonging to IT/Software, Finance and Banking, core engineering, manufacturing, automobile etc have extended 154 internship offers to the batch of 2022. This year's 154 Internship offers extended is making an increase of 21.25% in comparison to the last year's 127 Internship offers

IIT Patna placement has seen an increase in the average stipend as compared to the previous academic year. The BTech average stipend with a jump of 24.20 %, reached to 68.66K in 2022 from 55.28K in 2021. Similarly, the average MTech stipend reached 27.87K, from 26.22K in 2021.

	Batch-2021	Batch-2022	%age growth
Average Salary (B.Tech)	55.28	68.66	24.20%
Average Salary (M.Tech)	26.22	27.87	6.29%
Total Job offers	127	154	21.25%
Total placed students	116	144	24.13%
No of companies participated	27	38	40.7%
%age Intern B.Tech	39.55	42.7	7.96%
%age intern M.Tech	27.88	28.7	2.94%

In terms of placement percentage in BTech Computer Science and Engineering 61 students received internship offers, Electrical and Electronics Engineering 29 students received internship offers, setting new records. In Mechanical Engineering and Chemical Engineering 7 students received internship offers, in Metallurgy and material engineering and civil engineering 4 students received internship offers. Overall 112 students have received internship offers this year

Branch Name (B.Tech)	No of students placed	Average stipend	Highest stipend
CSE	61	79827	160000
EEE	29	61572	150000
ME	7	42500	100000
CB	7	44166	100000
CE	4	125,000	125,000
MME	4	63854	100,000
Total	112	55.28	160000

This season more than 10 new companies have participated in the campus recruitment for the first time with Uber, Twilio, Service Now, RBL Bank, indeed few of them.

The job profiles offered range from software engineer intern, hardware engineer, analyst etc.

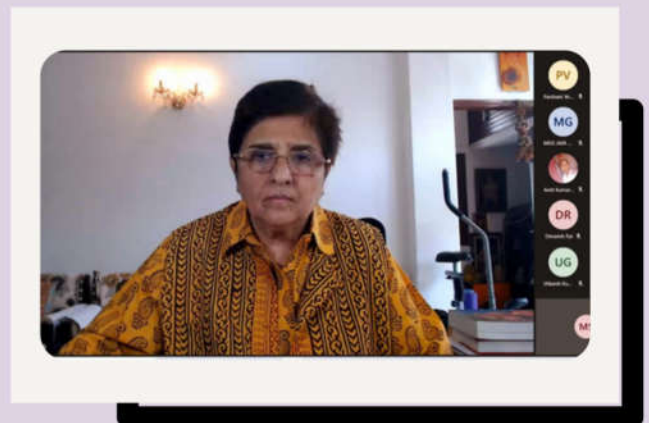

The list of top recruiters of the season includes Google, DE Shaw, Samsung, ServiceNow, Accenture, Arista Networks.

Considering the covid protocols and guidelines, this year also all the recruitment processes like pre-placement test, online assessment, group discussion, technical interviews, panel interview HR and management discussions have been organised in virtual modes.

IIT Patna expresses its sincere gratitude to all the esteemed recruiters to participate in the placement process, recruiting the talent pool and keeping faith in our students. Simultaneously, IIT Patna is constantly striving to make budding professionals industry ready through its industry outreach and industry connect.
